

Pedestrian Route Update

March 29 - Summer 2021

What is Happening?

As part of the grade separation construction at the Steeles Avenue East rail crossing, crews are constructing a new roadway and sidewalk on the south side of Steeles Avenue East. As road works and sidewalk construction progresses, a change to the pedestrian routes at Milliken Go Station will be required (depicted above).

What to Expect?

Pedestrians will be directed south on Redlea Ave along the existing east sidewalk to the station entrance. A designated walkway will be installed through the parking lot to provide pedestrian access to Milliken Go Station. The temporary detour will be delineated from the parking lot and asphalt ramps installed to ensure accessible access.

HOURS OF WORK

- The new pedestrian access route will be implemented on Monday, March 29, 2021 and remain in place through to summer 2021.
- Work may be rescheduled or extended due to weather conditions or unforeseen circumstances.

TRAFFIC & PEDESTRIAN DETAILS

- No changes to the current traffic configuration.
- Pedestrians will be directed south on Redlea Ave and a walkway installed through the parking lot at the station entrance.

TRANSIT INFORMATION

- No changes to the current transit routes and stop locations.

OTHER INFORMATION

- For the latest information on what's happening in your area, please e-mail us at TorontoEast@Metrolinx.com and ask to subscribe to our weekly e-newsletter.

Thank you for your patience while we improve transit to get communities moving.

All dates are subject to change and will be communicated accordingly.
