## WHAT IS HAPPENING?

As part of the continued construction at the Steeles Avenue East underpass, the contractor will be performing road reconstruction works on the south side of Steeles Avenue East west of Kennedy Road to east of Redlea Avenue. Crews will be working at the southeast and southwest corner of the Steeles Avenue East and Redlea Avenue intersection followed by the southeast and southwest corners of the Steeles Avenue East and Kennedy Road intersection. Work is expected to begin as early as September 27 and continue for approximately three (3) weeks.

## WHAT TO EXPECT

Construction vehicles and equipment will occupy the designated work zone on the south side of Steeles Avenue East, some noise can be expected from crews working in the area. Crosswalk, sidewalk, and curb lane closures will be required to complete these works safely (depicted above). Directional signage will be installed to direct pedestrians to available routes.

## HOURS OF WORK
