

TRANSFORMING TRANSIT IN YOUR AREA

Late Night Sewer Work
October 14th – 19th

New Track

150 kilometres of new dedicated GO track will allow for more uninterrupted service.

New Trains

New electric trains will travel faster for longer and reduce travel times.

New Bridges and Tunnels

Bridges and tunnels that eliminate intersections with rail and road traffic will provide more reliable GO train service.

New Renovations

New and improved stations will make your journey more comfortable, from start to finish.

SEWER WORK

As you are aware, Metrolinx has been working on the rail corridor at the back of your property for the last several months and some sewer work is needed. The work will take place the week of October 14, 2018.

WHAT TO EXPECT NEXT

Our contractors will be operating in your area from 07:00 AM to approximately 11:00 PM starting on October 14th to 19th. Our contractors will do their best to get most of the work completed during the normal hours and will only operate in the night if necessary. The noise level is expected to be at a minimal and not much impact is expected from this work.

We will notify you if there are any changes in the work schedule.

If you have any questions or concerns regarding this, feel free to contact us at the number or email address below.

Prince Hall, Community Relations and Issues Specialist, Stouffville Corridor
