

# Eramosa River Bridge Replacement

The expansion of GO Train service along the Kitchener GO corridor will transform the line into a more frequent transit experience - with fast and convenient train service that runs outside the rush hour.

Metrolinx has been replacing, repairing and upgrading infrastructure along the Kitchener GO Line in support of GO Expansion. Part of this work includes a full replacement of the Eramosa River Bridge in Rockwood.

## WHAT THIS MEANS FOR YOU

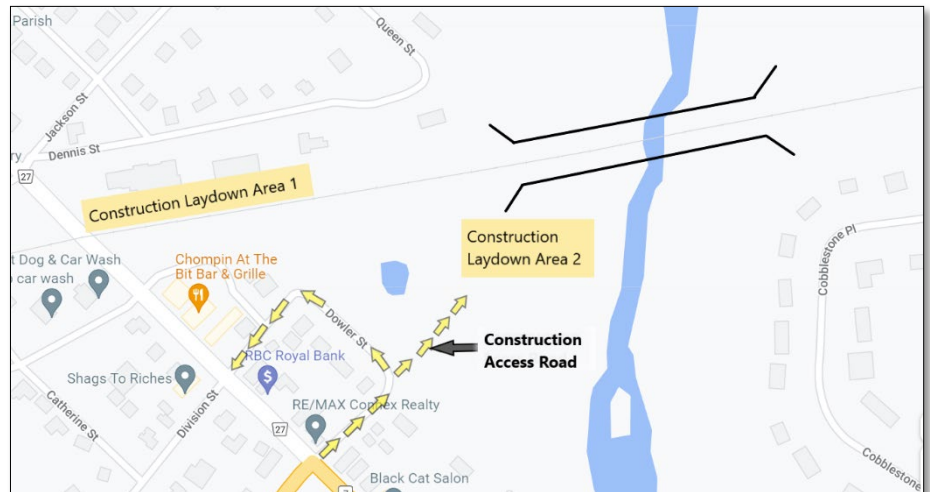

Construction crews have set up equipment on the north side of the tracks off Main Street N. to facilitate this important safety-related work. Crews will access the work site via an access road through the future development off Dowler Street.

Most of the work will take place on weekdays between 7 a.m. to 6 p.m. From June to Fall 2022, track and bridge work will begin overnight on select weekends between 6 a.m. on Saturday and 11 p.m. Sunday.

## WHAT THIS MEANS FOR YOU

Planned overnight weekend work schedule:

- June 11-12, 18-19
- July 16-17, 23-24
- August 13-14, 20-21, 27-28
- September 10-11, 17-18, 24-25
- October 15-16, 22-23

Residents can expect to hear noise from heavy machinery and equipment on and adjacent to the rail corridor. The use of back-up beepers, a vital safety measure, will be limited to essential work only, and lights will be pointed away from residential areas.

## QUESTIONS

We have a dedicated Community Relations team available to answer your questions by email, Monday - Friday, 8:30 a.m. - 4:30 p.m. at [GuelphWellington@metrolinx.com](mailto:GuelphWellington@metrolinx.com).
