

Road Closure: Wilson St. between Northumberland St. and Gordon St.

The expansion of GO Train service along the Kitchener GO corridor will transform the line into a more frequent transit experience - with fast and convenient train service that runs outside the rush hour.

Metrolinx has been replacing, repairing, and upgrading infrastructure along the Kitchener GO Line in the City of Guelph in support of GO Expansion. Part of this work includes rehabilitation of the Norfolk St. bridge, and the replacement of the Wilson St. bridge.

WHAT THIS MEANS FOR YOU

- Wilson St. between Northumberland St. and Gordon St. will be closed to vehicles from **Tuesday, September 6th to Friday, October 21st.**
- During this time, sidewalks and bike lanes along Wilson St. will be closed **on weekdays only.**
- Downtown Guelph can be accessed via Macdonell St. or Fountain St. E. during this time.
- Work will generally take place Monday to Friday from 7 a.m. to 5 p.m.
- All businesses in the construction area remain open throughout construction. Residents can expect some construction noise.
