

IMPORTANT INFORMATION

ELEVATOR CLOSURES AT STREETSVILLE GO

Starting **Monday, June 21**, the elevators at Streetsville GO Station will be out of service. We are making upgrades to make the elevators more reliable, to ensure the platforms are accessible.

During this time, there will be no elevator access and the station and platforms will be inaccessible. If you need an elevator, please use Erindale or Meadowvale GO Station instead.

Please plan ahead. If you need assistance to get to Erindale or Meadowvale GO, please fill out our request form at least 48 hours before you travel by calling GO Transit at 416-869-3200 or 1-888-438-6646 (toll-free), or speak with a Station Ambassador at Streetsville GO.

If you need assistance when you arrive at Streetsville GO:

- See the Station Ambassador at the service booth in the station building.
- Call the GO Contact Centre at 416-869-3200 or 1-888-438-6646 (toll-free).
- If those two options aren't available, call Transit Safety Dispatch at 905-803-0642 or 1-877-297-0642 (toll-free).
