

METROLINX

An agency of the Government of Ontario

NOTICE OF PUBLIC MEETING #1

CALEDONIA GO STATION TRANSIT PROJECT ASSESSMENT PROCESS

Metrolinx, an agency of the Province of Ontario, is working to transform the way the region moves by building a fast, convenient and integrated transit network across the Greater Toronto and Hamilton Area (GTHA). Metrolinx is moving forward with Regional Express Rail (RER), a program that will provide significant new travel choices on the GO Transit network across the region.

THE PROJECT

Metrolinx is evaluating the development of a future GO Station on the Barrie line through the Transit Project Assessment Process (TPAP). The proposed Caledonia GO station will be integrated with the future Eglinton Crosstown Light Rail Transit (LRT) station at Eglinton Avenue West and Croham Road, adding regional connectivity to the Crosstown and the Toronto Transit Commission bus network. Providing these connections will also support service capacity improvement plans for RER.

THE PROCESS

Metrolinx will assess the environmental impacts of this transit project by undertaking an Environmental Assessment following the TPAP, as prescribed by Ontario Regulation 231/08 made under the *Environmental Assessment Act*. As part of the TPAP, an Environmental Project Report is being prepared.

Your participation is an important part of this process and we welcome your input. You are invited to attend the Public Meeting listed below. The project team will be on hand to answer questions and receive your comments.

DATE: Tuesday, May 26, 2015
TIME: 6:00 p.m. – 9:00 p.m.
LOCATION: York Memorial Collegiate
2690 Eglinton Avenue West
Toronto, ON M6M 1T9

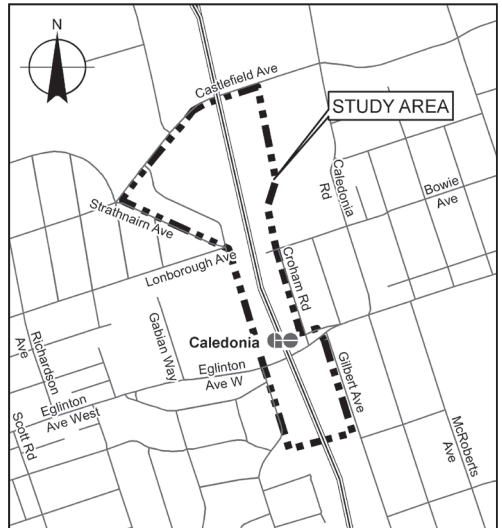

This location is accessible.

COMMENTS INVITED

Comments and information regarding this project are being collected to assist in meeting the requirements of the *Environmental Assessment Act*. The material will be maintained on file for use during the project and may be included in project documentation. With the exception of personal information, all comments will become part of the public record.

For more information or to be added to the project's mailing list, please contact:
