

NOTICE OF COMMENCEMENT AND PUBLIC MEETING #2

CALEDONIA GO STATION METROLINX - TRANSIT PROJECT ASSESSMENT PROCESS

Metrolinx, an agency of the Province of Ontario, is working to transform the way the region moves by building a fast, convenient and integrated transit network across the Greater Toronto and Hamilton Area (GTHA) and Simcoe County. Part of this plan is to bring frequent and reliable service to communities along the Barrie rail corridor.

THE PROJECT

Current plans include electrified, two-way, all-day service every 15 minutes to Aurora as well as peak, midday, evening and weekend GO train service to Allandale Waterfront GO Station. The service increase will be phased in over 10 years while we build additional infrastructure.

To support this service increase, Metrolinx is proposing a new GO Station on the Barrie rail corridor within the City of Toronto. The Caledonia GO Station will be integrated with the future Eglinton Crosstown Light Rail Transit Station at Eglinton Avenue West and Croham Road (west of Caledonia Road), adding regional connectivity to the Crosstown and the Toronto Transit Commission bus network.

THE PROCESS

Metrolinx is assessing the environmental impacts of building a new station on the Barrie corridor according to the Transit Project Assessment Process (TPAP) as prescribed in Ontario Regulation 231/08, Transit Projects and Metrolinx Undertakings.

As part of the TPAP, an Environmental Project Report (EPR) will be filed documenting any potential environmental effects and mitigation requirements of the Project. Viewing locations for the agency and public review of the EPR will be published in the Notice of Completion.

All information produced as part of this project is available at www.metrolinx.com/en/regionalplanning/rer/rer_work.aspx

FIND OUT MORE

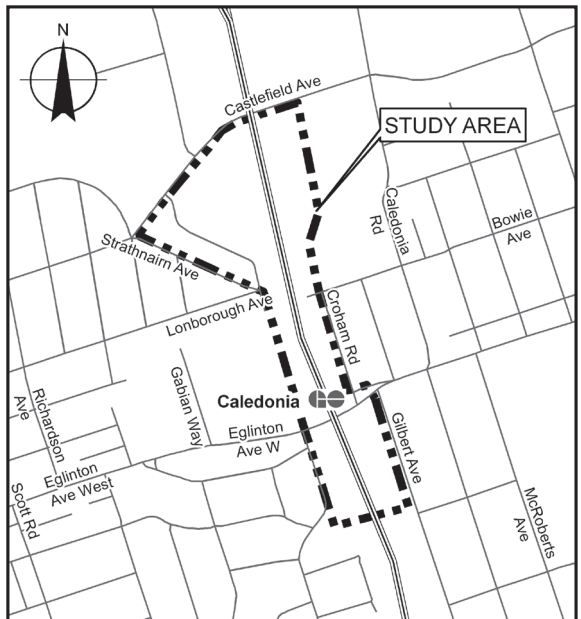

We thank everyone for their feedback to date during our pre-engagement. As we launch the notice of commencement and formal six-month TPAP process, we continue to encourage our neighbours, agencies and other interested persons to actively participate in the TPAP by attending meetings or contacting staff directly with information, comments or questions. Your participation is an important part of this process and we welcome your input. You are invited to attend the second public meeting listed below. The project team will be on hand to answer questions and receive your comments.

DATE: Tuesday, November 17, 2015
TIME: 6:00 p.m. – 8:00 p.m.
PRESENTATION: 6:30 p.m.
LOCATION: York Civic Centre
2700 Eglinton Avenue West
Toronto, ON M6M 1V1

This location is accessible.

If you have project-related questions or would like to be added to the project's mailing list, please contact:
