5.0 Request Evaluation Criteria and Selection Process

5.1 Request Evaluation Methodology

5.1.1 Submissions shall undergo several phases of evaluation based on the information provided using the criteria and scoring as listed in the Request Evaluation Criteria Section below.

5.1.2 Each criterion is evaluated. Critical criteria will be rated pass or fail. All other Evaluation Criteria shall be assigned a score out of ten (10). The score is then multiplied by the weight (which indicates the relative importance of the criteria not deemed critical to Metrolinx) to determine the weighted score. The weighted scores are then added to determine the Total Evaluated Score for the Submission.

5.1.3 Submissions shall be evaluated in four (4) phases, as follows:

(a) Phase One: Administrative Evaluation (Compliant/Non-Compliant)

Submissions shall undergo an administrative evaluation to determine compliance with the mandatory requirements as stated in the Mandatory Criteria. Only those Submissions determined in the sole opinion of Metrolinx, to have fulfilled all the mandatory requirements shall be deemed compliant and shall proceed to Phase Two of the evaluation process. Submissions that do not meet administrative requirements shall be deemed non-responsive and shall be disqualified.

(b) Phase Two: Technical Evaluation (65% weighting)

Submissions proceeding to Phase Two shall be evaluated by the Metrolinx Evaluation Committee in accordance with the Submission requirements above and Evaluation Methodology below. Only those Submissions achieving a total minimum score of 70% (455 points out of 650 possible points) as determined by the Metrolinx Evaluation Committee shall be considered further and shall proceed to Phase Three of the evaluation process.

(c) Phase Three: Presentation (15% weighting)

Those Submissions achieving the minimum score requirement for Phase Two, shall proceed to Phase Three of the evaluation, where the Proponent shall be contacted and requested to attend and conduct a presentation/interview with identified Key Personnel, at a minimum the Account Representative and Facilitator, in attendance.

The presentation/interview shall be held with the Metrolinx Evaluation Committee. Individuals shall be asked a series of technical and non-technical questions and shall be scored based on responses. Only those Submissions achieving a minimum score of 70% (105 points out of 150 possible points) on Phase Three, as determined by the Metrolinx Evaluation Committee, shall proceed to Phase Four of the RFP Process.

(d) Phase Four: Pricing Evaluation (20% weighting)

- (i) Attachment #1 – Estimated Contract Prices shall be evaluated for the Submissions which achieve the minimum score of 70% on Phase Two and Phase Three of the evaluation.
- (ii) Attachment # 1 – Estimated Contract Prices shall not be evaluated for those Proponents whose Submissions do not achieve the specified minimum score requirement to proceed to Pricing Evaluation.
- (iii) An administrative evaluation shall be conducted of Attachment #1 – Estimated Contract Prices to determine compliance with the mandatory requirements as stated therein and in the Instructions to Proponents.
- (iv) The Estimated Contract Total Price Score, used for evaluation purposes, is the sum of the Weighted Maximum Hourly Rate Score and the Weighted Average Course Cost Score. This will be calculated using the information provided in Attachment 1 – Estimated Contract Prices.
 - 1) The Proponent’s Maximum Hourly Rate Total calculated from Attachment 1 is the sum of years one (1) to three (3) for the Key Personnel rates multiplied by a set annual units per Key Personnel category. Units provided by Metrolinx are for evaluation purposes only. Pricing shall be separate and not based on any assumptions about purchase of any discretionary services by Metrolinx.
 - 2) The Proponent’s Maximum Hourly Rate Total for Years One through Three of the Key Personnel who passed Phase Three proceeding to Phase Four shall be multiplied by an Estimated Number of Hours identified for each Key Personnel position.

The Maximum Hourly Rate Total of each Submission proceeding to Pricing Evaluation, shall then be evaluated and scored as follows:

- a) The Submission with the lowest Maximum Hourly Rate Total shall receive the maximum score of ten (10) points for Pricing Evaluation.
- b) The following equation shall be applied to all other Submissions to determine a score out of ten:

$$\frac{\text{Lowest Maximum Hourly Rate Total}}{\text{Proponent's Maximum Hourly Rate Total}} \times 10 = \text{Maximum Hourly Rate Score (score out of ten)}$$

This score out of ten for the Maximum Hourly Rate Total shall be multiplied by the weighting factor as specified in Article 5.2 below to provide the Weighted Maximum Hourly Rate Score.

- 3) The Proponent's Average Course Cost Total calculated from Attachment 1 – Estimated Contract Prices takes the Topic Stream Average Cost, which is calculated from the average cost per course (In-Person, Blended, and Online).
- 4) The Proponent's Average Course Cost Total from Attachment #1 – Estimated Contract Prices of each Submission proceeding to Pricing Evaluation shall then be evaluated and scored as follows:
 - a) The Submission with the lowest Proponent's Average Course Cost Total shall receive the maximum score of ten (10) points for Pricing Evaluation.
 - b) The following equation shall be applied to all other Submissions to determine a score out of ten:

$$\frac{\text{Lowest Proponent's Average Course Cost Total}}{\text{Proponent's Average Course Cost Total}} \times 10 = \text{Average Course Cost Score (score out of ten)}$$

This score out of ten for Average Course Cost shall be multiplied by the weighting factor as specified in Article 5.2 below to provide the Weighted Average Course Cost Score.

- (v) The Estimated Contract Total Price Score shall be added to the total score for Phase Two and Phase Three to determine the Total Overall Score for the Submissions.

5.1.4 Total Overall Score

- (a) Total Overall Score = Phase Two: Technical Evaluation + Phase Three: presentation + Phase Four: Pricing Evaluation.

5.1.5 Selection of Submissions

18.6 Independent Parties

- (a) This Contract does not create and is not intended to create an agency or employment relationship, partnership, joint venture or other similar association between the Parties. The relationship between the Parties is to be considered at all times as that of a purchaser and an independent Consultant. Neither Party shall have the right to bind the other to any agreement with any third party or to incur any obligation or liability on behalf of the other Party. Except as expressly provided for in this Contract, neither Party shall represent, directly or indirectly by conduct, to any third party that it is an agent, employee, partner or joint venturer of the other.

(b) Any notice under this Contract, if delivered personally or by courier on a Business Day will be deemed to have been given when actually received, if delivered by fax before 3:00 p.m. on a Business Day will be deemed to have been delivered on that Business Day and if delivered by fax after 3:00 p.m. on a Business Day or on a day that is not a Business Day will be deemed to be delivered on the next Business Day. For greater clarity, notice shall not be given by email.

18.10 Amendments

Except as expressly provided in this Contract, no amendment, supplement or restatement of any provision of this Contract is binding unless it is in writing and signed by both Parties.

18.11 No Waiver

No provision of this Contract shall be deemed waived, amended or modified by either Party unless such waiver, amendment or modification is in writing and signed by the Party against whom it is sought to enforce the waiver, amendment or modification. The failure by a Party to exercise any of its rights, powers or remedies hereunder or its delay to do so does not constitute a waiver of those rights, powers or remedies. No waiver made with respect to any instance involving the exercise of any such right is to be deemed to be a waiver with respect to any other instance involving the exercise of the right or with respect to any other such right.

18.12 Severability

If any term or condition of this Contract, or the application thereof to the Parties or circumstances, is to any extent invalid or unenforceable in whole or in part, the remainder of this Contract shall continue in full force and effect, and the application of such term or condition to the Parties or circumstances other than those to which it is held invalid or unenforceable shall not be affected thereby.

18.13 Further Assurances

Each Party agrees that it shall at any time and from time to time, at its own expense, execute and deliver such further documents and do such further acts and things as the other Party may reasonably request for the purpose of giving effect to this Contract or carrying out the intention or facilitating the performance of the terms of this Contract.

 - (ii) could or could be seen to compromise, impair or be incompatible with the effective performance of its contractual obligations.
- (b) The Consultant acknowledges that participation (directly or indirectly) in any procurement process arising from or related to this Contract (the “Prohibited Procurements”) would constitute a Conflict of Interest with this Contract, and the Consultant agrees that it shall not, and shall take reasonable steps (including obtaining covenants substantially similar to those set out in this section) to ensure that its Subconsultants do not participate in or be involved with such Prohibited Procurements either directly or indirectly, including as a bidder or as a subcontractor or advisor to any bidder.

2. Project Overview

2.1 Background

The many faces and places of Metrolinx have one goal: to make it easier to move within our region. We are working together to transform transportation in the Greater Toronto and Hamilton Area.

2.2 History

Metrolinx, an agency of the Government of Ontario established under the Metrolinx Act, 2006, was created to improve the coordination and integration of all modes of transportation in the Greater Toronto and Hamilton Area (GTHA). The organization’s mission is to champion, develop and implement an integrated transportation system for our region that enhances prosperity, sustainability and quality of life.

Metrolinx is responsible for a broad range of activities including: providing regional leadership in transit to guide planning and investment; operating and expanding GO Transit; operating UP Express; operating and expanding the PRESTO fare card; and the planning and building of priority regional rapid transit such as the Eglinton Crosstown and the Toronto Relief Line.

Metrolinx is responsible for delivering on the Big Move, part of the Ontario Government committed \$15 billion in funding for further transit infrastructure in the GTHA, in addition to \$14 billion for transportation infrastructure outside the GTHA. This is in addition to over \$16 billion in capital investment already committed by all three levels of government to major projects drawn from The Big Move, the largest transit investment in decades. This commitment solidifies the next decade of progress with the GTHA rapid transit network. Transportation infrastructure projects require long lead-times to plan, design and construct and a steady stream of funding will continue to be required to meet the

transportation needs of a growing population and workforce. Operationally, Metrolinx expects to transport 70.4 million GO Transit passengers this year (as measured by boardings), consisting of over 53 million rail boardings and over 16 million bus boardings. The organization recovers most of its operating costs through ridership and non-fare revenue sources, consistently earning about 74 percent of what is needed to run the service - one of the best financial performances in the world for transit.

Metrolinx lives by three core values Think forward, Play as a team, and Service with passion. These values drive Metrolinx to deliver high quality services to all clients and stakeholders.

2.3 Governance

Metrolinx is an agency of the Government of Ontario. Metrolinx reports to a Board of Directors. Board meetings are public and can be viewed on the Metrolinx website or in person at Union Station's West Wing offices. The Board is made up of members of the public who are appointed by the Province.
